

# 2010

The Premier  
Conference on IP  
Security Technology

## Exhibitor Prospectus

### Invested in IP products and services?

Then exhibiting at TechSec Solutions is a must for your 2010 marketing plan!

No other conference provides a 360-degree view from the perspective of all IP stake holders – End Users, Integrators and Manufacturers.

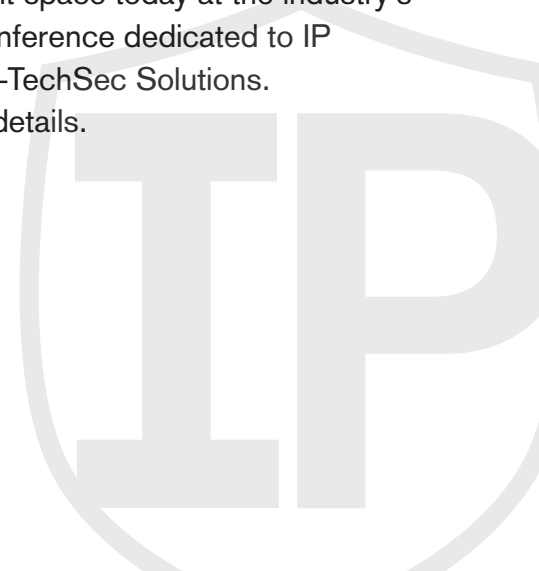

By bringing these groups together, TechSec Solutions offers unmatched interaction that paves the way for developing partnerships and building your business.

At TechSec Solutions – There are no closed doors, closed sessions or invite-only receptions – Everyone goes to every event and has access to every delegate.

Reserve your exhibit space today at the industry's most respected conference dedicated to IP security solutions—TechSec Solutions. See next page for details.
